OUR SUBURB

Melissia is a suburb in the northeastern part of Athens, Greece.

The municipal of Melissia is situated in the southwestern foot of the Penteli mountains, 12 km northeast of the Athens city centre.

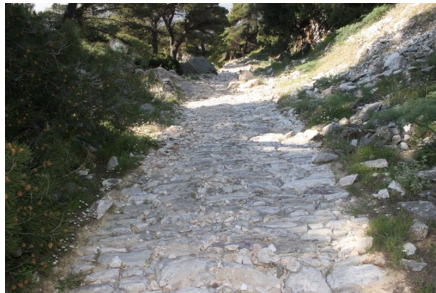

BACK IN THE ANCIENT TIMES

In ancient times, Melissa was a rural area.

During the Golden Age of Pericles , ancient Athenians carried marble from the mountain Penteli to the city of Athens to build the Parthenon.

A part of the road used to transport the stones is believed to have been crossing Melissa.
